+ Higher education institutions participating in Erasmus+ have committed themselves to respect the principles of the Erasmus

STEP I. BEFORE YOU GO

- + Once you have been selected as an Erasmus+ student, you are entitled to receive guidance regarding the partner institutions or enterprises where you can spend your mobility period and the activities that you can undertake there.
- + You have the right to receive information on **the grading system** used by your receiving institution, as well as information on **obtaining insurance and finding housing, and securing a visa** (if required). You can find

STEP III. ACADEMIC RECOGNITION

- + In accordance with your Learning Agreement, you are entitled to receive **full academic recognition** from your sending institution for activities that you have completed satisfactorily during your mobility period.
- + If you are studying abroad, within five weeks of the publication of your results, your receiving institution will send a **Transcript of Records** to you and to your sending institution, showing your credits and grades achieved. Upon receipt of your Transcript of Records, your sending institution will provide you with complete information on the recognition of your achievements. If you are enrolled in a higher education institution located in a Programme Country, the recognised components (e.g. courses) will appear in your **Diploma Supplement**.
- + If you are doing a traineeship¹, your enterprise will give you a **Traineeship Certificate** summarising the tasks carried out and an evaluation. Your sending institution will also give you a Transcript of Records, if this forms part of your Learning Agreement. If the traineeship was not part of the curriculum but you are enrolled in a higher education institution located in a Programme Country, the mobility period will be recorded in your Diploma Supplement and - if you wish - in your **Europass Mobility Document**. If you are a recent graduate from an institution located in a Programme Country, you are encouraged to request the Europass Mobility Document.
- + You should undergo an **on-line language assessment**, if available in your main language of instruction/work abroad, to monitor linguistic progress during your mobility.
- + You must fill in a questionnaire to provide **feedback on your Erasmus+ mobility period** to your sending and receiving institution, to the relevant National Agencies and to the European Commission.
- + You are encouraged to **share your mobility experience** with your friends, fellow students, staff in your institution, journalists etc. to let other people benefit from your experience, including young people.

¹ Not available between Programme and Partner Countries before 2017.

You should identify the problem clearly and check your rights and obligations under your Grant Agreement.

There are a number of people working in your sending and receiving institutions whose role is to help Erasmus+ students. Depending on the nature of the problem and the time it occurs, the contact person or the responsible person at your sending or receiving institution (or receiving enterprise in case of a traineeship) will be able to help you. Their names and contact details are specified in your Learning Agreement.

Use the formal appeal procedures in your sending institution if necessary.

If your sending or receiving institution fails to fulfil the obligations outlined in the Erasmus Charter for Higher Education or in your Grant Agreement, you can contact the relevant National Agency.
